

Dear Sir or Madam,

I frequently shop in your store and I would like to request that you carry my favorite loose leaf tea, Village Tea Company. The flavors are amazing, all natural and many are organic.

What makes it even more desirable is the fact that it is 100% Biodegradable and Environmentally Friendly. The company founder is a tea expert and has been featured on the Dr. Oz show as well as other health and wellness programs.

The Village Tea product line also includes soy pyramid pouches of loose tea as well as travel size tea and mobile teapots so you can enjoy tea everywhere!

Thank you for your time and attention. If you would like to learn more about this product please visit www.VillageTeaCo.com

All the best,
